NATIONAL PRESIDENTIAL ELECTION 2022-23 NOMINEE'S PLATFORM STATEMENT

The National SVdP President serves for six years. This demands, on the part of the successful candidate, a major sharing of his/her available time and talents. On the part of the Society, a National Presidential election involves the conferring of substantial authority to the chosen leader and implies supreme confidence in his/her character and capabilities.

Before making such a choice, therefore, members ask you to set forth briefly what might be called a "Platform Statement". It must include:

- 1) Your views about the most urgent needs of our Society at this time.
- 2) The SVdP goals or objectives you would hope to achieve during your six-year term as President.
- 3) Some indication about how you would expect to reach these goals.
- 4) Any other "Platform" comments or observations that you consider to be important in relation to the growth and future of the Society.

Your "Platform Statement" may not exceed one side only of an 8 ½ by 11 typewritten pages, single-spaced, with a half inch margin on all four sides.

Please use the next page for your "Platform Statement".
