Is your Conference:

- Wanting to live our Vincentian vocation?

- Searching for Vincentian spirituality?
- Attracting new members?

Then SERVING IN HOPE is your answer!

Serving in Hope is a spiritual formation program developed by the National Office for the Conference level. As Vincentians we are called to “*Serve in Hope*” because we are called to bring the love of God to those who are poor and suffering, and therefore we must become rooted in the spirituality that is the heart and soul of the Society of St. Vincent de Paul.

Serving in Hope is not just about information and facts, but a formation program designed to move us from our heads into our hearts. It is a program designed for every current member of the Society of St. Vincent de Paul as we are called to renew our own hearts as we renew the Society and it also designed as an introduction for new members.

Serving in Hope can be used at a Conference Meeting a session at a time, with each session lasting about twenty-five minutes. It consist of a Video which provides a short (4-5 min) presentation to each Session and a Formation Guide providing prayers, readings and a dialogue question for sharing. It is recommended that each member have their own copy of the Formation Guide.
