00:53:12 Jeanne Harper: David Barringer encourages you to read this week's Servant Leader column in E-Gazette -- it is about recruiting new members and starting new conferences during COVID-19 --it shares the blessings of enhanced visibility we can use to ask others to join us. Clergy appreciates us more than ever now due to the pandemic, so it may be a great time to ask to start a new Conference to help a pastor fill these increased requests for services.

00:56:36 Marie Wicks: What about formation? How often does it occur? Is there an active Spiritual Advisor? These questions can inform you as well.

00:57:12 Victor Vera: Sunnie, do you make an appointment prior to a Conference visit or the Conference requested an evaluation for revitalization.

00:58:41 Jeanne Harper: Great additions Marie --- I added them to our tool

01:00:26 Vince Salas: If eight active members is sufficient for a functional Conference, is there a number at which a functional Conference becomes too large and needs to be split into two Conferences?

01:01:51      Dick Reimbold:          How we we measure Youth and Young Adult Conferences when their membership is not showm in either the National Database or the Annual Reports. We have a large number of Youth and Young Adult members in the Mideast Region.

01:04:28      Dick Reimbold:          If the Conference has Special Works, like a food pantry, they need more members.

01:05:29      Victor Vera:    Bill Flerchinger, Spokane Valley, WA St. Mary Conference
