

TOOLS

THINK+change **TOOLS** are tangible educational products.

Best Practices Poster

Need a **TOOL** for your break room to reinforce your company's best practices for working and interacting with people with disabilities? Check out this new poster from THINK+change.

Communication Quick Tips

We still have a few of these available for purchase. Contact Jean for pricing info. **Communication Quick Tips** provides tips for communication with citizens with IDD, information on Colorado's mandatory reporting law, and a listing of the Arc Chapters in Colorado. **Communication Quick Tips** is printed in color and has 8-panels with 3 vertical folds so the final product measures approximately 3"x5" – perfect for a pocket, wallet, car dash storage, or briefcase. Perfect for law enforcement, APS workers, and all justice professionals.

Contact Jean for pricing and ordering info for both **TOOLS**:

jsolis@thearcofaurora.org or 720.213.1420.

Special notes:

Later this year, **Communication Quick Tips** will go into its 6th edition printing, and your company's logo could be on it.

THINK+change has an online training to reinforce Best Practices' poster content. See the **Trainings**' section of this newsletter or more info.
