

## **CPL 30.30 Checklist**

Drew DuBrin, Special Assistant Public Defender, Appeals Section, Monroe County  
Public Defender's Office

- Does 30.30 even apply?
- When did the criminal action commence?
- What's the applicable time period and when must the People be ready by?
- Did the People timely announce their readiness for trial?
- If so, were the People actually ready or were they just blowing smoke?
- Can the People "exclude" any delay? If so, does it make the People's readiness for trial timely?
- Did the People later become unready? If so, how long was the delay?
- Does the combination of all delay, pre- and post-readiness, exceed period?
- How much of the total is excludable? Does it make the readiness timely?
