

# WE ARE HIRING

## IN-HOME CAREGIVERS

At AmanaCare, we provide faithful, personalized in-home assistance to seniors and disabled or recovering adults. We are seeking non-medical caregivers.

- Flexible hours and scheduling
- No prior experience or medical certification required
- Paid CareAcademy training

As a family-owned and -operated business, we want to help you find the work-life balance that fits your needs. Our scheduling flexes around your availability, whether you are looking for two hours a week or forty. We strive to connect our caregivers to clients whose personalities and location are a good match. And we offer resources to benefits, as well as Aflac supplemental insurance. Above all, we provide a leadership team who cares about you as much as our clients, and who will always work to support you through your own unique circumstances.
