

2020-2021

Back to School

St. Bede

Welcome Back, Parents & Students! Find important details for returning to campus below.

School Supplies:

This year we will once again have pre-packaged supplies for your children. The fee has already been included in your tuition, so there is no need to write another check or fight the crowds in the stores. The supplies will be delivered to the school and given to your child on the first day. You will still need to purchase a book-bag. Those choosing the blended learning option will be given a time to come to the school prior to the first day to pick up supplies and books.

Parent Orientation:

This year, for obvious reasons, we are going virtual with our Parent Orientation Night. On Monday, August 10th, you will receive an email from your child's teacher. There will be an attachment of forms or pertinent information that you may need, but there will also be a link to a video from the teacher. We hope this delivery method will serve to answer all of your back-to-school questions.

Sneak Peek for K4/K5 and New Students:

One of our biggest challenges this year will be to "check our parents at the door." One part of our Safe at School plan states that we cannot have visitors in the school. In order to alleviate the first day jitters of our new and youngest students, we will schedule a time for them to come have a quick "sneak peek" at their classrooms. They will also be able to meet their teachers and know where to go on the first day. The classroom teachers will be contacting all of the K4, K5, and new students in grades 1-6 in order to set up a time to visit. These visits will take place on the day before school starts, August 11th.

Distance/Blended Learners:

Those parents who are choosing distance learning for the first quarter will soon be contacted by their child's teacher. They will be setting up times for you to come to school to pick up supplies and books. There will also be enough time for you and your child to meet the teacher and to answer any questions you may have about distance learning. These meetings will be scheduled on the afternoon of Monday, August 10th.

August 12

Early Dismissal

Remember the first day of school is an **EARLY DISMISSAL DAY**. Please plan to pick your child up at 12:00 PM – There is NO GoodTimes afterschool care provided on early dismissal days.

First Day Festivities:

Since we can't all gather in the cafeteria on the first day of school or visit classrooms for those first day pictures, we have decided to set up some fun stations in front of the school for the first day. Parents are asked to walk their students to the front door on the first day. Along the way you can stop at each station to take a cute picture or pick up a parent treat or claim your child's first day name tag lanyard. Then give them a quick hug and let them come into the school where we will be happy to meet them. It will be a great day!

Back to School Haircuts:

Time to shed that summer shag! Attention all boys...don't forget to get your back-to-school haircut. Remember that boys' hair must not be longer than the top of their collar nor cover their eyebrows. Hair around the ears and sideburns must be groomed at a level that matches the individual's mid-ear region, and no radical hair styles are permitted. Thank you for your cooperation in this matter.
