**ANNOUNCEMENT: TUTHILL SPRINGFIELD TO REMAIN OPEN FOR BUSINESS**

March 24, 2020

Dear Valued Customer and Channel Partner,

**We are relieved to inform you that Tuthill Springfield, Missouri manufacturing operations and office support continue to maintain normal operating hours.** Tuthill Springfield is deemed an “essential” business serving industries including but not limited to medical, national defense, chemical, agriculture, food and beverage, energy, and mining. Our manufacturing operations and office support will maintain normal operating hours as we accept our responsibility to keep Americans safe and America fully functional. We are committed to supporting your orders as diligently as possible.

Tuthill’s Operations, Sourcing and Customer Service teams are currently evaluating production flow, supply chain, and prioritizing orders. We realize there may be challenges in securing shipments from external vendors as our supply chain is facing individual local and state mandates. Our teams will communicate updates to you around existing or new order status as supplier information becomes available. If you have specific concerns, please contact your Regional Sales Manager or Customer Service Representative.

**Tuthill remains committed to the safety of our employees and business partners.** We will continue to monitor the development of local, state and federal measures along with the wellness of our employees. Our team appreciates your understanding as we all work together through this period of unique circumstance.

Sincerely,

Steve Westfall  
Chief Executive Officer & President  
Tuthill Corporation
