STOCK THE SHELVES

Shout out to Temple Aaron in St. Paul, Minnesota. They have had an ongoing relationship with their local food pantry, serving primarily Ethiopian and Latino populations, for many years. In addition to stocking the shelves with the most needed items, they are also overseeing the food and monetary donations throughout the winter. Their collection bins sport the new labeling “STOCK THE SHELVES”.

Alexandria Ganzel, Social Justice Chair of Intra-Continental Spring Conference is encouraging other affiliates in ICR to follow the example of Temple Aaron.
