

ENHANCED GRATITUDE PROGRAM

ANNOUNCING CATIC'S ENHANCED GRATITUDE PROGRAM, A 10% DISCOUNT ON OWNER'S POLICIES FOR FOLKS WHO HAVE SERVED, OR ARE CURRENTLY SERVING, IN THE MILITARY, FIRST RESPONDERS, AND HEALTH CARE WORKERS IN MASSACHUSETTS.

When you buy a house, you are buying more than the structure and the property it sits on. You are also buying its legal history, as identified in the title. Title insurance insures parties against loss resulting from matters affecting the title to the property. Title insurance companies evaluate the history of the property and insure that nothing in the history of the title will result in a loss to the insured. Unlike other forms of insurance, title insurance is paid for by a single, one-time premium at the time the property is acquired.

- Ten percent (10%) discount off title insurance premiums for expanded and standard owner policies.
- Discount available on Massachusetts 1-4 family owner-occupied properties.
- Offer valid through December 31, 2020.
- Cannot be combined with any other discount.
