

## ACC STL Program: Checkmate! How Chess Strategy Can Make You a Better Litigator

Can a chessboard be the ultimate battleground for legal victories? The Association of Corporate Counsel St. Louis Chapter is betting on it.

**Register now** to join **ACC St. Louis and the Litigation Practice Area Network** for an introduction to Chess as the Ultimate Battleground for legal victories!

This fall, members will embark on a unique journey to master the art of strategy and outsmart the competition – all while earning valuable CLE credits.

The Chapter is partnering with the World Chess Hall of Fame (WCHOF) to offer four exclusive master classes taught by Grand Masters in Residence. From September to December, lawyers will delve into the intricacies of chess, learning how to apply ancient wisdom to modern legal challenges. Each evening of chess will include lessons by a Grand Master, networking, food & beverages, attendance prize drawings and strategic learning! Register for 1-session or for all the sessions.
