

The ACC STL Receives 2022 Gold Chapter of Distinction for Fifth Consecutive Year

For the fifth consecutive year, the ACC STL received the 2022 Gold Chapter of Distinction by the Association of Corporate Counsel (ACC), which is an award bestowed on the best chapters in the country.

The award recognizes an individual Chapter's accomplishments in areas including programming; membership recruitment; diversity, inclusion and equity; and governance and operations.

"This is an incredible honor for the St. Louis chapter, and it is a reflection of the dedication, support, and commitment of our members. The past few years have brought unique opportunities to engage with our members. Our board frequently asks members what they want from their chapter, and we implement their advice into innovative programming, CLEs, networking opportunities, and social gatherings," said Katherine Krebel, 2022 ACC STL Chapter President, and Vice President, Corporate Counsel, Leonardo DRS, Inc.

In addition to the Gold Chapter of Distinction awards, the ACC STL has also received the national ACC 2020 and 2021 Innovation Award for its Diversity & Inclusion Internship Program, and the ACC 2018 national Innovation in Membership Recruitment Award.
