

Hello District 10 Residents and Georgians!

It has certainly been a busy week on the campaign trail for me and at the dealership. This week, we accomplished a lot. Here is what happened: Virtual forum hosted by the DeKalb Branch of the NAACP, Virtual Senate Appropriations meetings, weekly campaign calls with my campaign team, Senate Democratic Caucus Meeting, where we heard from Department of Labor Commissioner Mark Butler, staff/leadership meeting with Legacy Automotive Team, creating partnerships within District 10 and providing constituents and Georgians with COVID19 resources.

We were able to get a lot done. I was also able to do some yard work in my yard. In this update you will find information about the pink Coretta Scott King Roses given to me by my friend, Rev. Dr. Bernice A. King.

With all of this, it is true that, "LEADERSHIP NEVER REST." I was thinking about my week and how during quarantine, I was able to get things done for my constituents and Georgians. We have 22 days left. I look forward to receiving your prayers, support and vote.

Sincerely,

Emanuel D. Jones
State Senator, District 10

Get Your #TEAMJONES Yard Sign TODAY!

Yard signs are in, if you interested in receiving a yard sign, please fill out the Yard Sign Request link or call me directly and we will make sure you have your yard sign.

Words cannot express my thanks and gratitude to you for your support!

Senator Jones Receives May Week Award from the HCAC of Delta Sigma Theta Sorority, Inc.

The Henry County Alumnae Chapter wrote, “Each year, Delta Sigma Theta Sorority, Inc. celebrates May Week. This celebration is a national program of the sorority. May Week was created to emphasize the importance of higher education by recognizing academic and professional achievements and our community partners who help and support us in reaching these goals. We are proud to honor you, Senator Emanuel Jones, as a recipient for your consistent and dedicated support to our chapter since its chartering by proclaiming a Proclamation from the Georgia Assembly State Senate, supporting the chapter at Delta Days at the State Capital, moderating and leading the charge to Fathers during our inaugural Father Daughter Dance and judging at our inaugural Delta Shark Tank Jr. Competition.”

2020 Legislative Session to Reconvene

Henry County Alumnae Chapter of Delta Sigma Theta Sorority, Inc. inaugural program Delta Shark Tank Jr.

Earlier in the year, I was excited to be one of the judges for the Delta Shark Tank Jr program hosted by the Henry County Alumnae Chapter of Delta Sigma Theta Sorority, Inc. This program brought hundreds of teenagers who were inspiring, humble, yet bold and creative in their approach as entrepreneurs. All of the young people who entered and participated had really neat and cool concepts.

I was so compelled by Kemery Kreates. Her story and company really moved me in her quest of international travel and education. On May 13, 2020, my staff and I at Legacy Automotive donated Kemery with her own computer to further her development as an entrepreneur. At the age of 13, Kemery has developed an online learning system which helps young children and beginners speak Japanese. Please follow Kemery on social media and see the amazing things she is doing with her company, Kemery Kreates.

Coretta Scott King Roses Are Blooming in Georgia Senate District 10

As Chairman of the Martin Luther King, Jr. Advisory Council, I am excited about the work we are doing to keep Dr. King's LEGACY alive in Georgia! I would like to thank my friend, Rev. Dr. Bernice A. King for the work she is doing globally to keep the work of her parents alive and relevant in today's society. We will continue to support Dr. King's Dream here in Georgia.

Many years ago, Rev. Dr. Bernice King gifted me with roses from her mother's garden. Roses from the garden can be found on the grounds of the State Capitol and on the grounds of the King Center. As I was doing yard work this week at home, I was reminded of how Mrs. King's spirit is still alive today and every time I look in my yard, she is present! Please check out how these beautiful roses have bloomed. Thank you Bernice for this precious gift!

Senator Jones Arranges Partnership between DeKalb County Government & RideKleen, a division of Cox Automotive

DeKalb County police officers are driving in newly sanitized vehicles thanks to a donation from RideKleen, a Cox Automotive brand and the leader in eco-conscious, mobile car care.

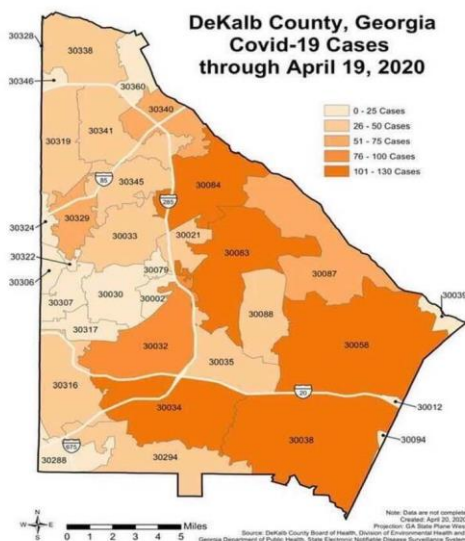

From April 27 through May 8, RideKleen will sanitize 140 of the county's police vehicles, focusing on those that transport suspects, crime witnesses and victims. Cleaning is taking place daily, rotating countywide between all police precincts.

"DeKalb County Government thanks Georgia State Senator Emanuel Jones for facilitating this donation from Cox Automotive," said DeKalb CEO Michael Thurmond. "Successfully managing a pandemic requires partnerships from all levels of government as well as public and private entities."

"DeKalb County certainly appreciates the corporate citizenship demonstrated by Cox Automotive," said Jack Lumpkin, deputy chief operating officer and director of DeKalb County Public Safety. "This is another example of DeKalb County forming partnerships that enhance the safety of our frontline workers."

RideKleen is using an EPA-registered and approved product that kills up to 99.9 percent of germs, bacteria, mold, mildew and emerging viruses and inhibits the growth of harmful odor-causing germs, mold and mildew for up to 30 days post-treatment.
