President's Day: What's Open, What's Closed, and What's Happening in Lexington

President's Day, observed on the third Monday of February, honors U.S. presidents, particularly George Washington and Abraham Lincoln. While the official federal holiday is on February 22, the celebration typically falls on the third Monday for convenience.

In terms of what's open and closed, the Lexington-Fayette Urban County Government offices, the Social Security Office, the DMV, and U.S. Post Offices (with no mail delivery) will be closed. Most local banks will also be closed, though not all. On the other hand, most retail and grocery stores will operate as usual, and the Lexington Public Libraries will remain open. LexTran buses will run on their regular schedule.

As for activities, there's plenty to do! Enjoy UK Basketball, the Kentucky Golf Expo, TobyMac's 2025 Tour, and the Distillery District Food & History Tour. For a more relaxed day, visit Waveland State Historic Site for Tea Tuesday, or check out the UK Percussion Group Concert, Comedy Off Broadway, or Picnic with Goats. Other fun events include concerts, art exhibits, Wilderness Trail Distillery Tours, the Woodsongs Old-Time Radio Hour, and even Stargazing at Hisle. There's also a variety of food trucks, guided museum tours, and much more!
