

We are beyond grateful for the love that All Saints' Episcopal Church poured into our families whose children have special needs. This year many families have faced financial hardships from COVID on top of the usual journey they face advocating and caring for their child. Thank you for continuing to love our FOCUS Families during this pandemic. Your generosity is appreciated.

Here are some notes of appreciation from the families.

*Dear All Saint's Church*

*I would like to take this opportunity to express my appreciation and thanks for sponsoring my child.*

*Dear All Saints Church,*

*I would love to take this time to extend so much gratitude to you all for helping to make my family have a Merry Christmas! As you know 2020 was hard for everyone especially the kids. But this brought so much joy in their lives to have Christmas presents to open that morning thank you for thinking of my families wishes, and thanks also for the lovely drive-thru toy pickup it was fun.*

*It really meant the world to me to be a family that was chosen!*

*I would like to extend a huge thank you and appreciation for the members of All Saint's Church that sponsored my son Khalil this year for Christmas. He absolutely loved his gifts and I hate I didn't get pictures of him opening them he was all smiles. In a time when so many people are struggling and things seem so grime at times, I just appreciate the generosity shown to my family. The drive thru pick was amazing and it really made our day. We loved the snow at the end, and he was excited to take a picture with Santa. Once again thank you so much for all you do for the not just our families, but all the families you serve.*

*God bless you and Happy New Year.*
