

# YOUTH LEADERSHIP COUNCIL

Y'ALL SAINTS ATLANTA

## Youth Leadership Council Description

The Youth Leadership Council will be comprised of high school students that are actively involved at All Saints. The purpose of the Youth Leadership Council is to help plan and implement ideas which revolve around community outreach, youth mission, and various other planning for youth events and activities.

Youth will help in planning activities such as:

- Our new monthly outreach initiative on Sunday mornings, "Youth Formation in Action"
  - Any other outreach and mission oriented plans throughout the year
  - Discussing new ideas and then planning and implementing those ideas
  - Acting as positive influences and mentors for their fellow youth, especially the younger middle schoolers

As a member of the Youth Leadership Council, you will be responsible for attending all meetings (once a month on Zoom), as well as coming to meetings with an open mind and ideas that will help benefit our youth group. The Youth Leadership Council is a one year commitment, with the opportunity to apply again the next year if you desire.

Please thoughtfully consider and pray about applying for this council. While it is a year long commitment, it is a chance to become involved in the planning of All Saints youth ministry events, as well as getting to know your fellow youth in a leadership setting and take ownership of the ministry that gives so much to you!
