Should I be confirmed, or should I reaffirm my faith?

Confirmation is what will be appropriate for most people. In Confirmation the Bishop prays that you will receive gifts of the Holy Spirit for ministry. It is first and foremost a sacrament of empowerment for service or ordination to the laity. Confirmation also serves as a rite of membership in the Episcopal Church and in our parish in particular.

Some who are already Episcopalians choose to **reaffirm** their faith before the bishop. This is particularly appropriate at times of transition in your life; a new city, a new job, a new relationship, a return to the church after years away.
