FOR IMMEDIATE RELEASE

PARLANTI: The official riding boot of the Hampton Classic 2018

Bridgehampton, New York — July 16, 2018 — Parlanti International, the #1 riding boot in the world, will be showcasing its latest designs amongst their most popular models during this year's Hampton Classic.

On debut Sunday, August 26th, Parlanti will begin to display its select collection at Equis Boutique on Stable Row.

Parlanti International, the official riding boot of the Hampton Classic and official sponsor of this year's show, continues to deliver their promise of quality, innovation, and streamline fits through their new additions: the Parlanti Aspen Pro Dress Boot and the Parlanti Dallas Pro Field Boot.

The Parlanti Aspen Pro Dress Boot and the Parlanti Dallas Pro Field Boot are technologically superior boots designed to enhance the riding experience. The upgraded foot of the boot is produced with the latest shock-absorbing technology built into the heel, ensuring a more controlled ride. The sole comes with an advanced mixture of rubber and modified latex, making them flexible in multiple areas. Meanwhile, the new buffalo leather interior lining adds comfort and increases durability.

Popular models of Parlanti, such as the Miami Field Boot and the Denver Dress boot, will also be a part of the unique selection for the Hampton Classic.

In addition to the existing designs available, a Parlanti specialist will be available to custom fit, providing riders with the option of customizing and designing their own ideal boot.

Parlanti will remain at Equis Boutique until the end of the show, September 2, 2018.
