

# CAMPUS CONNECTIONS

## WEEKLY UPDATE

December 7, 2022

### TURKEY TOSS & ID PICTURE DAY DECEMBER 15TH

On behalf of Fr. Jack and Misericordia Home, all employees may pick up a turkey on Thursday, December 15th between 6 AM - 4 PM in the CPR Training room of Conway.

Staff who have not taken their updated ID photo can also have their picture taken on this day. ID photos will have a blue backdrop, so please avoid wearing blue this day.

### STAYING UP TO DATE WITH COVID-19 VACCINES

**Pictured:** Staff and UChicago Medicine personnel at yesterday's on-site booster clinic.

Misericordia thanks Jennifer Burns and the University of Chicago Medical Center team for sponsoring our latest vaccine clinic. For the health and safety of our community, please make sure you are up-to-date on your Covid-19 vaccines and boosters. **If you're not sure what it means to be up-to-date, [click here](#) for a reference sheet.** As always, be sure to give updated copies of your vaccine card to your supervisor for HR records.

### THE ANNUAL STAFF HOLIDAY BREAKFAST/DINNER

Hosted in the Jean Marie Ryan Center, **Wednesday, December 14th** marks the in-person return of the Staff Holiday Breakfast/Dinner, which consists of a full-course meal, live performances, and the announcement of our Annual Employee Service Award winners. **All attendees may arrive in their typical work attire or team spirit wear at the scheduled times listed for their departments [here](#).**

While we encourage everyone to participate in this fellowship experience, we understand there may be concerns about social distancing and unmasking during mealtime. If you wish to take personal dining precautions, please talk to your supervisor so appropriate accommodations for you can be provided.
