This year ushered in the coronavirus vaccine, a historic breakthrough for our campus and the world at large. We thank all residents and staff who took part in attending our vaccination clinics and keeping our community protected by receiving the vaccine. Your efforts allowed many of us to safely return to doing some of the things we enjoy!

From Rainbow Day to Merry Mis-Mas, we have been delighted to see the fun, colorful ways in which you all have taken part in our Spirit Weeks throughout the year. Thank you for participating, and stay tuned for the next Campus Connections to find out who won our latest Spirit Week raffle!
