UNCOVERING HOPE: ONE YEAR AFTER COVID-19 SUPPORT GROUP

**Thursday, April 22nd at 10:00 AM
in the Lois Gates Courtyard Inn**

We will continue to offer our **Uncovering Hope** support group due to the feedback that we received from the sessions that were held. This support group will provide a space for you to share how the pandemic has impacted you and how you have coped with the challenges. While this is not therapy and should not be used in lieu of seeking out individual therapy, this time is offered for giving and receiving support among peers.

Please see your supervisor if you are interested.

VACCINATION CLINIC SCHEDULED FOR MAY 4TH AND MAY 25TH

Want the vaccine but hate waiting in lines?

Receive your vaccination conveniently at Misericordia on May 4th or May 25th. See your supervisor to reserve your spot!

Additionally, be sure to complete [this survey](#) or scan the QR code if you have not received your vaccination. If you receive your vaccine at a site that is off-campus, you must inform HR and give a copy of your card to your supervisor.

#VACCINEREADY

#VaccineReady | April 2021

April is National Minority Health Month (NMHM), and the 2021 NMHM theme is **#VaccineReady**. As recognized by the HHS Office of Minority Health, the COVID-19 pandemic has disproportionately impacted racial and ethnic minority

communities and underscores the need for these vulnerable communities to get vaccinated as more vaccines become available. To learn more about **#vaccineready** and NMHM, [click here](#).

We are seeking **three** volunteers to participate in a one-hour session to help us determine what training should be included for our residents. We will hold focus groups that include staff from Trinity Services and Orchard Village on **Monday, May 3 at 3:30 PM and Tuesday, May 4 at 10:00 AM**. If you would like to participate, please contact Tiffany@Misericordia.com by **April 25th**. We would greatly appreciate your input.
