

# CAMPUS CONNECTIONS

WEEKLY UPDATE

JANUARY 19, 2022

*Make a referral and earn up to \$1000!*

*Who?*

*What?*

*When?*

*Where?*

*Why?*

Full time and Part time employees (outside of senior management, HR or hiring managers/supervisors) can refer someone Misericordia – just ask them to apply.

A successful referral can result in you earning up to \$1000 over the course of the first year of employment for the referred employee – as long as YOU are in good standing.

You can make referrals any day of the week.

You can find the referral form and further details on ADP or stop by HR

**Why not?** Successful referrals result in successful hires, with great staff joining your team. **This is a Win Win for everyone!**

- CNAs (all shifts)
- Nurses (LPN, RN, BSN)
- Housekeeper (AM shift)

## SHARE YOUR PERSONAL EXPERIENCES AND STORIES WITH US

Campus Connections is interested in sharing your personal experiences related to cultural holidays, traditions, and heritage observances that align with our Community of Believers values and the mission of Misericordia. [Click here](#) to see past examples we have published about our employees! If you have one that would like to share, please email Andrew Blomquist at [ablomquist@misericordia.com](mailto:ablomquist@misericordia.com).

## THE 2021 W-2 TAX FORMS ARE NOW AVAILABLE ONLINE IN ADP

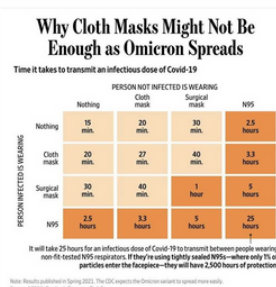

[Click here](#) for instructions on how to access your 2021 W2s. The W2s will also be mailed out to the mailing address we have on file on or before January 31st. If you have recently changed your address please notify HR no later than Monday, January 24, 2022. It is important that you also update your address in ADP (either on a laptop, desktop or tablet; please see the instructions [here](#)).

In addition, the IRS made updates to the 2021 W2 form. This notice is for your information. Please [click here](#) for more details regarding the changes.

## OVER-THE-COUNTER HOME COVID TESTS

Many of you have asked about using home tests as proof of a positive COVID test. This is not possible because Misericordia is required to report all of the testing that is done on campus and received from staff. The tests that are reported must have at least two identifying factors, such as your name and birthdate; therefore home tests cannot be accepted as reportable COVID testing results.

## DOES YOUR MASK PROVIDE ENOUGH PROTECTION?

Courtesy of the *Wall Street Journal*, [click here](#) to enlarge this COVID-transmission timetable based on types of face coverings.

With the rise of Omicron-variant COVID cases, **the CDC has recommended wearing N95s and KN95s as the best face protection against COVID transmissions.** While cloth and surgical masks continue to offer more protection than no mask at all, they have found N95s and KN95s to be the most effective. [Click here](#) to see the updated guidance, and see the chart pictured left to learn about the time transmission of COVID through infected and uninfected persons wearing masks.

### A MESSAGE FROM THE HEART

"We cannot live only for ourselves. A thousand fibers connect us with our fellow men."

—Herman Melville
