Dear Employees,

What a year it has been! The biggest highlight in my role as President and Executive Director of Misericordia Home is the time I have had with many of you this year. One of the goals that I had for myself was to spend time getting to know our wonderful staff. To date, I have met with over 800 of our 1100 employees and the consistent message I heard is the love that our staff have for the residents at Misericordia. We are truly blessed to have such compassionate and caring staff that open their hearts to our residents. Our residents know they are loved!

It has been a long 2 and a half years of uncertainty and required flexibility by all, especially you. We cannot thank you enough for your unwavering love for our residents and your dedication to Misericordia. During this time of the year, it is an opportunity for me to reflect on God's goodness that I see in each of you, our residents and those who believe in the work that we are doing at Misericordia.

Thank you once again for choosing to be a part of the Misericordia family and for the wonderful work that you do to keep the Misericordia spirit alive. Please let your friends know we could use more loving people. May God bless you and your family during this holiday season.

Blessings,

Fr. Jack

SPECIAL ACKNOWLEDGEMENT

THANK YOU
DENISE

38 YEARS OF DEDICATION

Dear Staff,

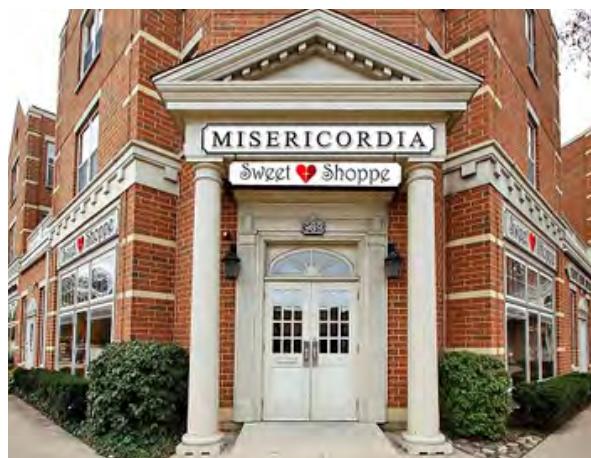

As my 38-year career comes to an end, I wanted to thank Sr. Rosemary, Lois, Mary Pat and Fr. Jack for giving me the opportunity to grow at Misericordia. It has been my pleasure to serve the residents at Misericordia in a wide variety of ways. I am so grateful to each of you for the commitment that you have made to the residents and your co-workers. Misericordia is truly a remarkable place full of wonderful generous people and you are all part of its success. Your job is difficult but you are here for the right reason; you are truly making a difference in the lives of the residents and for that you should be proud! Thank you for being a part of my life for all these years!

With gratitude,

Denise Tigges, Administrator

EMPLOYEE WELLNESS

STAYING UP TO DATE WITH COVID-19 VACCINES

Pictured: Last Tuesday's on-site booster clinic. Misericordia thanks Jennifer Burns and UChicago Medicine for helping our employees stay up-to-date on their vaccines.

The updated Protected Pay policy indicates that as of January 1, 2023, Misericordia will only provide protected pay for employees who are up to date with COVID vaccines. **If anyone tests positive as of 1/1/2023 and is not up to date, Misericordia will no longer cover their required time off.** Based on CDC guidance, Misericordia recommends the following to be considered up-to-date:

- **For people who have completed the primary vaccine series and it has been at least 2 months since their last dose or last booster.**
 - **You should get one updated Bivalent Booster (using Pfizer-BioNTech or Moderna).**
 - **The Bivalent Booster**, released in the fall of 2022, is considered the most long-lasting and effective against various strains of COVID. **Once you receive this booster, you are considered up-to-date.**
- Consult your doctor and area's director if you receive another booster (e.g. monovalent) to determine your vaccine status.

Note: If you've tested positive for COVID-19, you may want to consider delaying your vaccine dose (primary dose or updated booster) by 3 months after symptoms started or, if you had no symptoms when you first received a positive test.

Restore & Remember

Losing someone you care for is one of the most challenging parts of life, and Misericordia is committed to supporting staff as they endure the hardship of losing the residents they care for. Restore & Remember started in 2017 as an outcome of the Grief & Loss committee in response to staff satisfaction surveys. This initiative seeks to reassure our staff that they are not alone in their grief, in their experience of loss. Rather, as a community we experience loss collectively. With the mutual support, loss can lead to connection, healing, and restoration. Over the last 5 years, staff throughout campus have attended Restore & Remember to honor the lives of the residents who have passed away through art-making and writing. We invite you to witness these pieces [here](#) and join us in remembering the individuals from our community who remain in our hearts (recommended viewing in 1080p).

Employee Assistance Program

An EAP can be a stepping stone and link to more long-term mental health maintenance. [Click here](#) to find out what's available for employees who are **enrolled** and **not enrolled** in Misericordia's medical plan.

HR AND STAFF DEVELOPMENT

HOLIDAY STRESS & PHI

This year feels, in many ways, like a 'return to normal' for the holidays at Misericordia. While we know that Covid is still very much a part of our reality, we also know that there's much to celebrate. Holiday parties have returned to many residential areas. Staff dinners are back. Our bakery staff work around the clock to fill orders. Recreation staff spend countless hours preparing the Heartbreakers for their many performances. And our residential and CDS/DT staff find ways to make each day fun and full of joy for the residents.

There's excitement...AND there's a lot of added stress to our days! We are pulled in so many directions. Perhaps a quick reminder of some of our PHI skills might help you manage all that is added to your already full plates! Remember that part of being an effective team member is the ability to stay calm in stressful situations.

We talk about the importance of "pulling back" from strong emotions that might come with these stressful times. When confronting a challenging situation, we have choices in how we respond. We can become frustrated, overwhelmed, or angry about the added pressure. Or, we can "pull back." Maybe this might look like taking some deep breaths or talking through the stress with a trusted coworker. Or perhaps you might take a few minutes to step outside for fresh air or a quick walk around campus? Can you try to reframe what's going on? Notice what's happening and do whatever helps you return to a state of calm. These holiday stressors won't last forever, but our ability to respond to them in a healthy way will help manage the future stress that inevitably will come our way. Wishing you a peaceful holiday season!

IMPLICIT BIAS TRAINING COMING NEXT YEAR

Do you hold a professional license? If so, a new training requirement is coming in 2023! Starting January 1st, the State of Illinois will require all professionally licensed health care workers to complete one-hour of Implicit Bias training. Licensed healthcare workers include doctors, nurses, therapists, and nursing home administrators. More information regarding this new online training will be coming soon. Question about this training? Please contact Sarah Powills at sarahg@misericordia.com.

For more information on this new requirement, or to see if you are required to complete the training, [please visit this link](#).

HOLIDAY PREMIUM PAY

Employees will be paid time and a half for working the following days and shifts:

NIGHT SHIFT

- Christmas Eve (12/24)
- New Year's Eve (12/31)

DAY SHIFT

- Christmas Day (12/25)
- New Year's Day (1/1)

EVENING SHIFT

- Christmas Day (12/25)
- New Year's Eve (12/31)

CREATING OPPORTUNITIES

MEET OUR AREA OJT TRAINERS

Pictured clockwise: Chrissy D (Quinlan), Joseph W (DT), Brigid B (CDS), participants during OJT discussions

As Misericordia continues to invest in staff, opportunities for professional growth is a major focus. We recognize growth and career advancement are key to Misericordia's future success by providing more opportunities for new and existing staff.

The Area OJT Trainer is a new position that will help support training of new DSPs! The OJT Trainers are currently participating in an intensive "train the trainer" sessions that will prepare them with the skills to teach our new hires the required OJT skills needed to be a successful DSP. This training will be taking place in each residential and program area in an effort to help our new hires connect with teams and residents, in addition to learning in the environment in which they will work.

This new model will take place of the current practice where hands-on learning is done in training class. We believe this will allow for a better system of support for new hires and bridge the gap for them moving from training to their assigned area. Please join us in congratulating our newest campus trainers!

CREATING OPPORTUNITIES

DID YOU KNOW MISERICORDIA OFFERS TUITION REIMBURSEMENT?

FROM PAGE 36 OF THE MISERICORDIA EMPLOYEE HANDBOOK

Full-time and part-time employees of Misericordia Home are eligible to apply for tuition reimbursement. This program was designed to help employees continue their education and maintain or improve skills for career advancement. The amount of the reimbursement paid shall not exceed the annual maximum (\$2,000) per calendar year. Tuition reimbursement covers only the unpaid tuition that is not paid through a scholarship, grant, or another funding source, as well as tuition that is paid by the staff through a personal loan. **Employees who meet the following criteria are eligible to apply for tuition reimbursement:**

- Full-time or part-time status, who have worked at Misericordia for one year prior to starting classes.
- Review of Personnel file:
- Must have received a Meets Standards or better rating on their most recent performance review
- A review of corrective action taken within the last 12 months
- Prior consent and approval by Department Administrator.

Employees must be currently employed and in "good standing" to receive reimbursement. The application for tuition and procedures for filing are available in Human Resources and ADP.

DAY SERVICES

THANK YOU TO OUR DAY SERVICES STAFF

Pictured: Day Services participants taking part in festive holiday activities and humanities lessons.

From Tina Stendardo, Vice President of Program Delivery:

Thank you to all of the Day Services staff, from McAuley DT, CDS, and DT, who helped make this year's annual DHS survey successful.

Over the past few years, Covid forced us to rethink and rework how we provide a meaningful day for our residents. Every step of the way, the Day Services staff demonstrated flexibility, creativity, and the Misericordia spirit.

Thank you all for delivering quality services during such a challenging time.

UNDERSTANDING CATHOLIC IDENTITY

Good news for people who love Christmas!

The Christmas holiday lasts for twelve days, not just one. "The 12 days themselves are simply the time between the two major Christmas feasts: the Nativity of the Lord on December 25 and Epiphany on January 6," writes Bryan Cones of uscatholic.org. "Since Christmas was the major 'birth' feast in the ancient Western churches and Epiphany was the biggie for the Eastern churches, the days between them inevitably gained significance."

MCAULEY BLUE PM TEAM RECOGINTION

Pictured left to right: Francine J, Erica S, Moses C, Mimi O, Lupe C.

What makes this team so great? Lupe writes:

We are a group of very diverse individuals who have mutual respect and understanding for each other and have built a positive relationship with one another which makes for a more relaxed environment.

We show up to work with positive energy and a smile and are adaptable and flexible when a change in our schedules arises.

We work together to meet the needs of the unit and offer each other support when someone needs a helping hand or is falling behind with their work.

We maintain open communication throughout the shift and timely and effectively communicate any changes from residents' baseline to nurses to achieve the goal of providing individualized and the best care for our residents.

We always know how to brighten up the day for the residents by supporting residents' needs beyond the individual assignments, such as providing them with their favorite toys/electronics, taking the time to sit down and talk to them, playing their favorite music, and sing to them and play guitar for them.
