Our new, ongoing Staff Team Spotlight is the way to get the recognition your team deserves! [Click here](#) to see the Team Spotlight submission form.

All Team Spotlights must be approved by your area's director.

### COVID-19 BOOSTER SHOTS & TESTING

The U.S. Department of Health and Human Services (HHS) has issued a press release on the Administration's plan for COVID-19 booster shots, which includes the following preparations:

- "Booster shots for all Americans, beginning the week of September 20 and starting 8 months after an individual's second dose." **Misericordia will be working with Walgreens once again to access the booster for staff and residents. Follow-up information will be shared once the date is available.**
- "Individuals who were fully vaccinated earliest in the vaccination rollout, including many health care providers, nursing home residents, and other seniors, will likely be eligible for a booster."
- "Efforts to deliver booster shots directly to residents of long-term care facilities, given the distribution of vaccines to this population early in the vaccine rollout and the continued increased risk that COVID-19 poses to them."

[Click here](#) to see the full statement. You can also [click here](#) to find a list of CDC FAQs regarding booster shots.

As a precaution, unvaccinated staff **must** continue to test weekly.

### FAMILY FEST MEMORIES SEND US YOUR STORIES AND PICTURES
