OUR CAMPUS IS 90% PERCENT VACCINATED

HELP US MEET OUR GOAL OF 100%

Thank you to those who received their first dose of the FDA-approved Pfizer vaccine on 9/14. A representative from Walgreens, on Granville and Western, will reach out to you shortly to remind you of the follow-up instructions and/or to schedule your second dose. Misericordia will not host another vaccination clinic. It is your responsibility to receive your second dose of the vaccine by 10/5. After your second dose, please bring your vaccination card to your supervisor so they can make a copy and send it to our human resources department to keep in your file. If you have any questions, please reach out to your supervisor/director.

SIT TEAMS ACTION ITEMS

Thank you SIT teams for providing your recommendations to help Misericordia look at ways to improve retention. As a reminder, the following SIT teams made up of employees from various roles on campus including, but not limited to Supervisors, DSPs, Staff Development and Recruitment staff and QIDPs looked at the following time period for the employee experience:

GETTING HERE: WHAT DRAWS INDIVIDUALS TO WORK AT MISERICORDIA?

TEAM LEADERS: SARAH POWILLS AND RACHEL STAMS

GETTING CONNECTED: 0-3 MONTHS OF EMPLOYMENT

TEAM LEADERS: ADAM HERGES AND JESSICA DISBROW

STAYING HERE: 3-6 MONTHS OF EMPLOYMENT

TEAM LEADER: RALFI LAMOURT

GROWING HERE: 6 MONTHS + OF EMPLOYMENT

TEAM LEADER: CICELY MOSLEY AND LAERA BENARD

Over the next several Campus Connections, we will share with you one of the recommendations that came from these teams and the actions we will be taking.

This week we want to address the recommendation to improve awareness and access to employee resources. One resource is Blue 365, a health and wellness discount service, available and accessible to all employees who are members of the Blue Cross and Blue Shield (BCBS) system.
