## WEEKLY UPDATE

August 3, 2022

### MISERICORDIA WANTS TO HELP YOU PAY OFF YOUR STUDENT LOANS

Did you know that we are now offering a benefit to employees that will assist you in paying down your student loans? Misericordia will pay \$150 per month toward your total student loan debt if you are eligible to receive this benefit and chose to sign up. This benefit is paid directly toward your loan and does not replace your current payment. Current employees who change status and become eligible must register before the 20th of the month in order to have the \$150 payment applied toward the student loan for the following month.
