

Yasher Koach to Barbara Meltzer!

Barbara Meltzer is a very busy woman. Not only does she still run her Public Relations agency, she also serves on several boards and commissions. And if that's not enough, she has also volunteered an untold number of hours doing PR and planning programming for ChaiVillageLA. But if you ask her what is the most rewarding thing she does, she will tell you that it involves providing caring services for others.

When Barbara was in the hospital and then healing at home, she was so grateful when people came to visit her. "I understand how important these visits are; they often help in the healing process," says Barbara. Putting her proverbial money where her mouth is, Barbara has visited ChaiVillageLA members who needed a visit – both in the hospital and in rehab.

Barbara loves giving back and making people feel good. And if she can find the time to do it, can't we all?

Yasher Koach to Barbara! Thank you for all that you do for ChaiVillageLA, and especially for caring about individuals in such a meaningful way. May you go from strength to strength!
