### Women in the Bible

*Interpretation: Resources for the Use of Scripture in the Church*

Jaime Clark-Soles

Now Available \* ISBN: 9780664234010

**\$40.00 \$26.00 You save 35% every day at PC(USA) Store!**

What was it like to be a woman in the biblical period? It depended, in part, on who you were: a queen, a judge, a slave, or some other kind of "ordinary woman." In a multi-pronged approach, Clark-Soles aims to equip clergy and other leaders invested in the study of Scripture to consider women in the Bible from multiple angles and help people of all genders to live God's vision of better, more just lives as we navigate the challenges of our complex, globally connected world.

### Preaching and the Thirty-Second Commercial

*Lessons from Advertising for the Pulpit*

O. Wesley Allen, Jr. and Carrie La Ferle

Now Available \* ISBN: 9780664265441

**\$25.00 \$16.25 You save 35% every day at PC(USA) Store!**

Preaching and advertising seem worlds apart. One proclaims love of God and neighbor; the other tries to sell you something. Yet both relay information in an increasingly distracted world. Believing that preaching can benefit from advertising's focus on making messages stick, O. Wesley Allen, Jr. (a preaching professor) and Carrie La Ferle (a professor of advertising) provide this first-of-its-kind book on what preachers can learn from advertising.

Designed to empower preachers as they lead their congregations to connect their lives to Scripture, the award-winning Connections series features a broad set of interpretive tools that provide commentary and worship aids on the Revised Common Lectionary. This nine-volume series offers creative commentary on each reading through the lens of its connections to the rest of Scripture and then considers the reading through the lenses of culture, film, fiction, ethics, and other aspects of contemporary life. Commentaries on the Psalms make connections to other readings and to the congregation's experience of worship.

## Coming Fall 2021!

Two new resources in the Connections family will be available this fall. The worship companions offers complete liturgies for all worshiping occasions between Advent and Pentecost of Year C, from the call to worship to the closing charge, with prayers and litanies for every need in between. The daily devotionals are crafted with mainline, lectionary preachers and lay leaders in mind, both to supplement their planning for the week and to feed their souls in the midst of the work of ministry.

When it comes to understanding a passage in the Bible, context is everything. What historical events surround a book's composition? What larger literary unit is a given passage part of? If we don't know the answer to questions like these, we are ill-prepared to speak to-and especially preach about-a passage's meaning. <i>The Preacher's Bible Handbook</i> meets this need. Essays on each of the biblical books introduce the most relevant historical, literary, and theological facts about the book.	In <i>Preaching the Women of the Old Testament</i> , Lynn Japinga interprets the stories of over forty fierce, faithful, and strong women featured in the Old Testament. Along with providing an interpretation, Japinga demonstrates how the character's story has been read in Christian tradition and offers sermon ideas that connect contemporary issues to each story. This book is ideal for pastors who want to know more about the many women of the Old Testament and learn how to better incorporate them into their sermons.	Every week churches must address issues related to stewardship. With deep pastoral sensitivities and solid biblical knowledge, veteran pastor and author David Mosser draws one Scripture passage from each week in the three-year lectionary cycle to provide a brief reflection on how that passage can be used to teach and preach about stewardship. The reflections offered here address a variety of issues related to stewardship, making this book an essential resource for all pastors, worship leaders, and stewardship committees.	Alyce McKenzie harnesses the element of drama and the human fascination with scenes to offer ministers a modern means of sermon development and delivery. Whether from Scripture or contemporary life, these scenes point toward the larger story of God's relationship with humankind. This process unifies the process of preaching, from the preacher's daily life observations to interpretation of scenes from Scripture, to sermon shaping, sequencing, and delivery.	Mike Graves begins this book with the question "If preaching is intended to enliven the church, why is it killing so many ministers?" His answer? Because preaching has become divorced from the vitality and diversity of the preacher's daily life. He invites preachers to discover how preaching can be renewing rather than draining. As Barbara Brown Taylor writes in her foreword, "While this book includes four valuable sections on sermon preparation, it also features compelling invitations to walk, to nap, to read, to play, and to eat dessert."	Lucy Lind Hogan helps the reader understand the theology and craft of communicating the gospel in the present world. Hogan begins with a theological rationale for preaching, which serves as a basis for understanding the identity of the preacher. She then explores the context for preaching, showing how to interpret a scriptural text, design a sermon, and use illustrations and examples. She also discusses preaching for special occasions, the use of different technologies in preaching, and the importance of delivery. This book includes questions for reflection.

# WORSHIP BOOKS FOR GROUP STUDY

Rhythms of Worship <i>The Planning and Purpose of Liturgy</i>	Presbyterian Worship Questions and Answers	Worship Matters <i>A Study for Congregations</i>	Worship, Revised and Expanded Edition <i>Reformed according to Scripture</i>	Gathered before God <i>Worship-Centered Church Renewal</i>	The Worshiping Life <i>Meditations on the Order of Worship</i>
John G. Stevens & Michael Waschevski	David Gambrell	Jane Rogers Vann	Hughes Oliphant Old	Jane Rogers Vann	Lisa Nichols Hickman
<b>\$15.00 \$9.75</b>	<b>\$15.00 \$9.75</b>	<b>\$20.00 \$13.00</b>	<b>\$27.00 \$17.55</b>	<b>\$20.00 \$13.00</b>	<b>\$20.00 \$13.00</b>
In clear, everyday language, Waschevski and Stevens describe why Protestants worship. The authors explore the different elements of the worship service, the feasts and festivals of the liturgical year, and music and arts in worship. Discussion questions at the end of each chapter invite discussion in local congregations. This book will be a valuable resource for pastors, worship committees, members, and all others who engage in worship planning and leadership.	This book draws on the author's decade of experience in the PC(USA)'s Office of Theology and Worship to provide accessible answers to the questions frequently asked about Presbyterian worship, along with a few we ought to ask more frequently. From the philosophical—What is worship and what does it have to do with real life?—to the practical—Why is there a pink candle and when do we light it?—readers will appreciate the meaning and mystery of worship in the Reformed tradition.	Sunday worship is the central act of the Christian faith, yet few people truly understand what is happening during the service, and why, and how. Jane Rogers Vann examines how we can eliminate the barrier between the preacher and the people in the pew, and offers practical advice directed not just toward church leaders but to worship committees and church members—all who are yearning to be fully engaged in worship.	Hughes Oliphant Old masterfully summarizes the worship of Israel and the early church and traces the development of worship through the period of the Reformation. He provides a sterling historical study that will be highly useful for pastors and church study groups as well as for scholars and students interested in Reformed worship. An extensive bibliography of resources for the study of Reformed worship adds to the value of this book.	In <i>Gathered before God</i> , Jane Rogers Vann studies ten vibrant small, medium, and large churches. Her findings, she argues, show that worship is the most important thing churches do and is crucial to the renewal of congregational life. This book offers resources for pastors, worship leaders, and Christian educators to reflect on their worship, leading to an openness to change and processes to help church leaders support each other during the periods of reform and renewal.	In this unique and engaging book of meditations, pastor Lisa Nichols Hickman delves into the life of worship, seeking to reveal its rhythms and order. There are twenty chapters, each a meditation on an element of worship, reflecting on how that particular element plays out not only in a service of worship but, more importantly, in everyday life.

# PRAYERS FOR WORSHIP

When We Gather, Revised Edition <i>A Book of Prayers for Worship</i>	Belonging to God <i>Catechism Resources for Worship</i>	A Barclay Prayer Book	A Book of Reformed Prayers	Prayers for the New Social Awakening <i>Inspired by the New Social Creed</i>	Fifty Prayers
James G. Kirk		William Barclay	Edited by Howard L. Rice & Lamar Williamson, Jr.	Edited by Christian Iosso & Elizabeth Hinson-Hasty	Karl Barth
<b>\$32.00 \$20.80</b>	<b>\$20.00 \$13.00</b>	<b>\$17.00 \$11.05</b>	<b>\$30.00 \$19.50</b>	<b>\$20.00 \$13.00</b>	<b>\$14.00 \$9.10</b>
For every Sunday in the church year, James Kirk provides contemporary, theologically solid prayers and other elements for use in worship. Included are prayers of praise and adoration, confession and pardon, dedication, thanksgiving and petition, as well as concise comments on the lectionary Scripture readings for each Sunday. Now expanded and updated to conform to the Revised Common Lectionary, this revised edition covers all of the Sundays in lectionary cycles A, B, and C.	Using the language of the catechisms in worship makes explicit the faith commitments of the church. <i>Belonging to God: Catechism Resources for Worship</i> is designed to bring the language, and thus the teaching of the church, into the worship of God's people. It provides prayers, calls to worship, baptismal and confirmation resources, and more, as well as suggestions for how to incorporate the catechisms.	Some of William Barclay's most beloved prayers and meditations have been brought together in this collection. Fresh and meaningful as ever, these prayers invite us to experience the wellspring of spirituality that nourished this timeless theologian's creativity. Arranged both topically and chronologically through the church year, <i>A Barclay Prayer Book</i> is perfect for personal devotional study and a useful resource for worship leaders.	Prayer has undergirded the achievements, sacrifices, and faithfulness of the Reformed tradition since its beginning. Howard Rice and Lamar Williamson have gathered more than 200 prayers from the Reformed tradition, organizing the prayers chronologically by century. They provide historical information and biographies of each author to enhance readers' understanding of each prayer within its own context.	In honor of the one-hundredth anniversary of the 1908 Social Creed and the development of a Social Creed for the twenty-first century, Chris Iosso and Elizabeth Hinson-Hasty have compiled new prayers from well-known church and community leaders. This seminal volume includes the words from the new Social Creed and prayers reflecting social justice themes referenced in the creed, including poverty, economic justice, and care for the environment.	This collection for the first time makes Karl Barth's pastoral prayers available to an English-speaking audience, offering a fresh perspective on how the great Swiss theologian understood this central practice of Christian life. The prayers are organized according to seasons of the liturgical year, making them ideal for both group use and individual reflection.

Edited by Kimberly Bracken Long & David Maxwell	Kimberly Bracken Long	Sandra Gray Bender	Sandra Gray Bender	Marcus Small	David Khalaf & Constantino Khalaf
<b>\$30.00</b> <b>\$19.50</b>	<b>\$20.00</b> <b>\$13.00</b>	<b>\$20.00</b> <b>\$13.00</b>	<b>\$20.00</b> <b>\$13.00</b>	<b>\$16.00</b> <b>\$10.40</b>	<b>\$16.00</b> <b>\$10.40</b>
The liturgies in <i>Inclusive Marriage Services</i> echo historic wedding rites yet offer language that can be used by all couples. This sourcebook provides marriage liturgies with updated and gender-neutral language that are adaptable for a variety of couples and situations. Also included are prayers for events related to weddings such as rehearsal dinners, receptions, and anniversaries, as well as guidance for both couples and clergy involved in planning services. <a href="#">Also available in paperback.</a>	This book offers a foundational understanding of marriage for today's North American church. Kimberly Bracken Long suggests that the church consider its involvement in weddings and offers a distinctively Christian understanding of marriage. She provides practical suggestions for music and Scripture during wedding services as well as guidance on how to respond faithfully to those who are divorced or divorcing.	Drawing on years of experience counseling couples and groups, Sandra Bender contends that married people need intentional, focused direction to create the marriage they want. <i>Recreating Marriage with the Same Old Spouse</i> educates couples in the skills of being married. Beginning with a discussion of the Myers-Briggs personality framework, Bender covers topics like identity, intimacy, insecurity, and reflective listening.	Drawing on years of experience counseling couples and groups, Sandra Bender contends that married people need intentional, focused direction to create the marriage they want. In this companion to the Couple's Guide, Bender provides clear advice for group leaders on helping married couples improve their marriage skills. Bender advises leaders on how to prepare for each session, present the material to couples, and answer questions.	In this book, couples will reflect on current realities particular to African American couples. They will discover nine key principles required for healthy marriages, including self-awareness, flexibility, and forgiveness. Questions for discussion and reflection are included for each chapter. This insightful resource can be used at various stages of their relationship, but it is especially helpful to engaged and newly married couples. Pastors may also choose to use this book as a discussion starter for premarital or post-marital counseling.	Part personal reflection, part commentary, and full of practical advice, <i>Modern Kinship</i> explores the biblical concept of kinship from a twenty-first-century perspective. This important resource tackles subjects such as dating outside of smartphone apps, overcoming church and family issues, meeting your partner's parents, deciding when and how to have children, and finding your mission as a couple. <i>Modern Kinship</i> encourages queer Christian couples to build God-centered partnerships of trust and mutuality.

Through their different lenses—one as a preacher and one as a funeral director—Thomas G. Long and Thomas Lynch alternately discuss several challenges facing “the good funeral,” including the commercial aspects that have led many to be suspicious of funeral directors, the sometimes tense relationship between pastors and funeral directors, the tendency of modern funerals to exclude the body from the service, and the rapid growth in cremation.	This book begins by describing how the Christian funeral developed historically, theologically, and liturgically, and then discusses recent cultural trends in funeral practices, including the rise in both cremations and memorial services. He describes the basic pattern for a funeral service, details options in funeral planning, identifies characteristics of a “good funeral,” and provides thoughtful guidance for preaching at a funeral.	With deep faith, knowledge of Scripture, and the wisdom of experience, Brady guides readers grieving losses in voicing their lament to God, reflecting on the nature of human existence, and persevering in hope. Brady finds that rather than an image of God managing every event in our lives, the biblical account describes the world in which we all live, full of hardship that often comes unbidden and unmerited. Yet, it also is a world into which God lovingly intrudes to bring comfort, peace, and grace. <a href="#">Download the reader guide.</a>	<i>Pilgrimage through Loss</i> tells the story of one family’s journey, along with interviews from thirty other mothers and fathers who have experienced the death of a child. Hunt illuminates the varied pathways parents eventually discover that open their lives to strength and healing. Rather than prescribing a path, Hunt encourages parents to find the pathways that work for them as they seek to engage life again with meaning and hope. Each chapter includes questions for reflection and discussion, plus recent research on grief and loss.	After her brother died unexpectedly and her mother moved into a dementia-care facility, spiritual travel writer and Episcopal deacon Lori Erickson felt called to a new quest: to face death head on, with the eye of a tourist and the heart of a pastor. Blending memoir, spirituality, and travel, <i>Near the Exit</i> examines how cultures confront and have confronted death. Erickson reflects on mortality—the ways we avoid it, the ways we cope with it, and the ways life is made more precious by accepting it. <a href="#">Download the reader guide.</a>	From one of our most gifted writers and thinkers about death and the meaning of living comes a collection of writings about “what comes next.” Thomas Lynch, funeral director, poet, and author, has an uncanny knack for writing about death in ways that are never morbid, always thoughtful, often humorous, and quite moving. From his recounting of the funeral for a young child in the 1800s to his compelling essay about his own mortality, Lynch always finds ways to make sense of senseless things, as he ponders what will come next.

# FEASTING ON THE WORD

“Of all the resources available to worship leaders, this is the best.”

— *Presbyterian Outlook*

“A monumental contribution. It will richly repay your investment.”

— *The Christian Century*

Based on the Revised Common Lectionary, the Feasting on the Word series of products is one of the most extensive and well-respected resources for preaching and worship. In addition to the original preaching commentary series and the Gospel-focused preaching commentary series, you'll also find resources for children's sermons, seasonal preaching, worship planning, and devotion. ## Interpretation: Resources for the Use of Scripture in the Church

Various Authors

INDIVIDUAL VOLUMES: Various Prices **You save 35% at PC(USA) Store!**

This series of volumes supplements Interpretation: A Bible Commentary for Teaching and Preaching. The commentary series offers an exposition of the books of the Bible written for those who teach, preach, and study the Bible in the community of faith. This new series is addressed to the same audience and serves a similar purpose, providing additional resources for the interpretation of Scripture, but now dealing with features, themes, and issues significant for the whole rather than with individual books.

## Belief: A Theological Commentary on the Bible

Various Authors

INDIVIDUAL VOLUMES: \$40.00 **\$26.00**

Belief: A Theological Commentary on the Bible is a series featuring biblical commentaries written by theologians. By inviting contemporary theologians to wrestle deeply with particular texts of Scripture, the editors of this series hope not only to provide new theological resources for the church but also to encourage all theologians to pay more attention to Scripture and the life of the church in their writings.
