

RESPOND TOGETHER

What is Respond Together?

Respond Together is a collection of local churches committed to responding in our community during times of need.

This network is enriched through the partnerships between faith communities, our local emergency response teams, and other disaster response organizations.

We long to build community resilience through Mitigation, Preparedness, Response, and Recovery

ORIENTATION TRAINING

Thursday, August 28th
9:30 a.m. - 3:30 p.m.

1100 W. Sligh Ave
Tampa, FL 33604
