This year's District 21 North American Pairs (NAP) final has moved online to Bridge Base Online (BBO). Flight A (Open) will take place November 13-14 with 50% moving on to day two. Flight B <2500mp will be on November 20<sup>th</sup> and Flight C <500mp Non-Life Masters will be on November 21<sup>st</sup>. Each day will be a two-round event.

Due to continued Covid-19 concerns, more than half of the twenty-one units within our district were unable to schedule in person Unit Qualifiers. So the district board voted to allow all players who qualified at the club level to move on to the District Final! The top three pairs in Flight A and the top four pairs in Flights B and C will qualify to represent District 21 at the National Finals scheduled for the Reno NABC in March 2022!

Pre-registration is required one week before each event. Not sure if you qualified? For the list of qualifiers and full details, please read the attached Schedule and Conditions of Contest:
