

Andrew Sorrell is a 39-year-old entrepreneur, private pilot, advanced SCUBA diver, Eagle Scout, and former State Representative from House District 3 in Colbert County. After serving a term in the legislature, Andrew decided to run for State Auditor and was elected November 8th, 2022, becoming Alabama's youngest statewide elected official. He was consistently ranked as one of the most conservative legislators in Alabama, earning him the Conservative Policy Warrior award from the Alabama Policy Institute in 2020 as well as a perfect 100 rating on the American Conservative Union's 2021 scorecard.

As Auditor, Andrew declined to use a state vehicle, relocated the staff, and left an administrative assistant position unfilled, saving taxpayers tens of thousands of dollars. Andrew attended Muscle Shoals High School and graduated in 2004. By testing out of many credit hours, taking overloads, and enrolling in summer semesters, Andrew completed his 4-year Business Management degree at the University of North Alabama (UNA) in less than 2 years, finishing in July 2006.

Andrew is a successful entrepreneur. He started his first company at age 16, and currently owns part or all of 4 different Alabama-based businesses, which employ about 20 people. He also owns multiple rental properties, both commercial and residential.

As he is the son, grandson, and great-grandson of preachers, Andrew's conservative upbringing helped shape his political philosophy. Andrew currently serves as Bylaws Chairman for the Alabama Republican Party and is a member of the State Financial Officers Foundation where he serves in leadership as the Auditor-At-Large.

Andrew is married to Hannah, who he met on a bus in Rome, Italy in May 2016 while on a church history tour. Their first child was born on October 18th, 2021, a daughter they named Liberty. Their second daughter, also a girl, was born June 1st, 2023, and named Glory. Their third child, a boy named Justus, was just born on September 12th.

Andrew considers himself a Christian first, a Conservative second, and a Republican third.
