103 Construction Blueprint Reading

[LEARN MORE](#)

About 103 Construction Blueprint Reading

103 Construction Blueprint Reading – All construction professionals, regardless of whether they are working in the field or in the office, must learn to read blueprints. Blueprint reading is not terribly difficult, but it does require practice and some basic knowledge of blueprints.

This online blueprint reading course is designed to provide you with foundational knowledge and hands-on practice so you can confidently discuss plans on the job.

Mastery of blueprint reading will come with practice. Once you learn to read blueprints, your career opportunities expand, and you are more in demand.

ROBEX Member: \$550
NON-ROBEX Member: \$750

JUNE 23 - SEPTEMBER 1, 2025

Elevate your career in construction with our NEW online course offerings. ROBEX has partnered with **Construction Experts Inc. (CEI)** to provide members with a wide variety of educational offerings. The upcoming semester will run from June 23, 2025 – September 1, 2025.
