Sessions will run 12:30PM-3:30PM, lunch will be included.

180 Linden Oaks

Transform the way your team communicates and collaborates!

Breaking Ground is back! We've listened to participant feedback to design an even more engaging and meaningful experience. This comprehensive program is designed to strengthen partnerships between office and field teams, fostering a better understanding of the construction process and building lasting improvements in team dynamics.

Who should attend?

Teams of 2 from participating companies:
One representative from the office and one from the field. This pairing is essential to maximize learning and create meaningful dialogue between both perspectives.

Take This Opportunity to Strengthen Your Team!

Limited spots available. Register your team today and be part of building better communication in construction!

Pricing:

ROBEX Member \$299 | Non-Member \$349
Pricing is per company (2 people)

A portion of the proceeds will go to Homesteads for Hope

What You'll Gain

DISC Assessment

Complete a professional DISC assessment with expert interpretation to understand communication styles and team dynamics.

Process Understanding

Gain deeper insights into the complete construction process from both perspectives.

Collaboration Tools

Learn practical strategies to bridge the field-office divide and improve day-to-day interactions.

Team Development

Build stronger working relationships that translate to better project outcomes.
