

NYS Shield Act Cybersecurity Training

October 22 | 8 AM

Hybrid: In-Person & Virtual

Effective March 21st for this year, the NYS Shield Act went into effect. Many of us were busy dealing with the onset of the COVID-19 pandemic and didn't realize this date passed.

Not sure what the Shield Act means for your business? Join Builders Exchange and CETech to navigate the complexities of keeping your business safe from cyber criminals along with complying with the required yearly cybersecurity training as specified in the SHIELD Act.

Presenter: Andrew Gleasman, CETech Director of Business Development.
