Vancouver, British Columbia

Alive with the hum of high-energy adventure, Vancouver is a sophisticated cityscape on the edge of British Columbia's wild interior. This multicultural city offers a bit of everything: big city buzz, sky-high mountains and Pacific beaches. If you're a history buff you can view First Nations artifacts at the Museum of Anthropology. Take little ones to meet over 50,000 aquatic creatures at the Vancouver Aquarium, or get a bird's eye view of old-growth forest at Capilano Suspension Bridge Park. Horseshoe Bay salmon fishing... Granville Island paddle boarding... Grouse Mountain's aerial tram— discover loads of outdoor adventure in Vancouver, from the bay to the backwoods.

Inside Passage (Cruising)

Your ship offers the perfect platform for viewing British Columbia's Inside Passage. This archipelago spans 25,000 miles from Seattle to Prince Rupert near the Alaskan border. Here you'll ply calm waters sheltered between the British Columbia mainland and Vancouver Island. Along the way catch a glimpse of breathtakingly rugged scenery, plus staggering wildlife like salmon sharks, white spirit bears, and millions of seabirds.

Sitka, Alaska

Sitka, the site of Russia's initial foray into Alaska, has perhaps the richest history of any Alaskan town. Explore the melding of Russian and Native American cultures, while enjoying the unspoiled landscape at the gateway to remote Southeast Alaska. Sitka truly offers the best of Alaska. Its small-town appeal stems from a unique blend of Russian, Tlingit and American history. Its snow-capped peaks and volcanic Mount Edgecumbe pose among the state's most postcard-worthy scenes. And its rare wildlife astounds, from Saint Lazaria Island's orange-beaked puffins to Alaska Maritime Refuge's 40 million seabirds. This is off-the-path Alaska, where you can kayak Sitka Sound alongside swimming sea otters or fly-fish for the world's biggest halibut. Whether it's hiking Baranof Island trails or listening to tribal stories passed down for generations, in Sitka the midnight sun never sets on adventure.

Tracy Arm Fjords & Glacier

Tracy Arm Fjord extends over 30 miles alongside the wilderness of Tongass National Forest. Sailing through this deep and narrow passage delivers some of the most breathtaking scenery you'll find in Alaska. See active glaciers carved into 7,000-foot-tall mountain peaks and plunging waterfalls burrowed into evergreen-clad cliffs. Glimpse native wildlife and watch deep blue icebergs float past the ship. Be sure to pack a pair of high quality binoculars to see wildlife along the shore.

Juneau, Alaska

Surrounded by fjords, forest and snow-capped mountains, Juneau is one gorgeous state capital. Its historic downtown harkens back to its gold-rush origins and you can still pan for gold. But nature is the priceless treasure. You can't get to Juneau easily without a sprint by air or by sea. But once you arrive you'll find majestic views and rich culture in every corner. With its snowcapped mountains, misty rainforests, massive glaciers and bounty of wildlife, Alaska's remote state capital is the perfect place to dive into nature. Framed by Mount Juneau and Mount Roberts, the city's picturesque downtown area offers centuries-old bars, boutique shops and historic landmarks. For a taste of the local culture, visit the historic district and the Alaska State Museum. And for outdoor thrills, you can take your pick of activities ranging from whale watching in Auke Bay Harbor to tundra trekking over Mendenhall Glacier, and even try your hand at gold panning in Last Chance Basin.

Icy Strait Point, Alaska

Icy Strait Point is one tiny port that's big on Alaskan wilderness and Native culture. Opened a decade ago by the Huna Tlingit Native Alaskans, it's easily one of the best spots in the region for fishing and whale watching. Dive into Native Alaska culture at a tribal dance show or pay a visit to Hoonah, Alaska's largest Tlingit village. If you want to venture over to the wild side, go on a guided nature hike through nearby rainforests or hop into an ATV and explore the backroads of Chichagof Island. At the end of the day, you can take in forest views while soaring high above the trees on the longest zip line in the world. No matter what kind of Alaska adventure you're craving, you'll find it in Icy Strait Point.

Ketchikan, Alaska

Ketchikan is the gateway to Misty Fjords National Monument, whose landscapes and dramatic seascapes can only be reached by plane or boat. The salmon capital is a hub for sports fishing and home to a collection of totem poles. Ketchikan sits at the southern end of Alaska's Inside Passage—a gateway to the wild landscapes and seascapes of Misty Fjords National Monument. The canned salmon capital of the world, it's a hub for fishing and outdoor sports. It's also home to three tribes of Northwest Coast Native Americans, making it a great place to get a taste for the local culture. You'll see it in the colorful, hand-carved totems that line the city's streets and parks, and in the unique stilted homes that cling to Deer Mountain's slopes. If you want to get up close and personal with nature, venture into the Tongass National Forest, the largest in the United States. Or head to Ketchikan Creek Waterfall for amazing views of downtown Ketchikan and a glimpse at the yearly salmon runs.

Inside Passage (Cruising)

A day at sea is the perfect opportunity to relax and unwind on your cruise vacation. Make the most of the ship: soak in the whirlpool, pamper yourself at the spa, try your luck at the casino or bask in the sun from a deck chair.
