Day 2 Thursday, April 1

Brussels to Ypres

Overnight: [New Regina Hotel, Ypres](#) or similar

Meals: TBA

Welcome to Belgium! Famously known for medieval towns, Renaissance architecture and as the headquarters of the European Union and NATO.

On arrival, we will transfer to Ypres, with a stop along the way to pay a very special tribute at **John McCrae's Essex Farm**. This famous cemetery was established next to a dressing station established by the Canadian Field Artillery during the Second Battle of Ypres. Situated in the middle of farmland, this is the place where John McCrae wrote his poem, "In Flanders Fields.

Ypres, Wipers, Ieper ~ a small town with a huge past, situated in the Belgian province of West Flanders. Ypres is surrounded by the Salient Battlefields, where many cemeteries, memorials, and war museums honour the battles that unfolded in this area during World War I. After being destroyed in the war, many important buildings were carefully reconstructed, including the Gothic-style Sint-Maarten Kathedraal (St. Martin's Cathedral) and its soaring spire.

Arrive at our hotel located in the centre of Ypres in the city square. Spend the rest of the afternoon at leisure.

Suggestions: Indulge in waffles and enjoy the many small pubs serving the local beers. Be sure to try the cherry beer! We will reunite and make our way to the [Menin Gate](#) Memorial to the Missing to witness the Last Post Menin Gate Ceremony. Home to the first 54,389 lost in the First World War; this gate is where every Commonwealth soldier would have passed through on the way to fight in the Ieper Salient. The Menin Gate is undoubtedly one of the most haunting memorials of the Great War.

Day 3 Friday, April 2

Full-day Salient Tour day

Overnight: [New Regina Hotel, Ypres](#) or similar

Meals: BD

This morning, we begin our guided tour of the **Ypres Salient Battlefields**.

Beginning with the **Vancouver Corner**, it is here that the **Brooding Soldier / Saint Julien Memorial** marks the battlefield where 18,000 Canadian soldiers withstood the first German gas attack along the **Western Front**. Continue to the **Langemark German Cemetery**, where more than 44,000 soldiers are buried, and it was in the village of Langemark that gas attacks were launched, making this the Second Battle of Ypres in April 1915.

Hill 62 ~ A small area of the original battlefield and part of the Canadian Front Line.

Continue your tour through **Passchendaele, Tyne Cot, and Hill 62**, a small area of the original battlefield and part of the Canadian Front Line. Here we will explore the **Sanctuary Hill Museum**, which includes equipment and weapons, as well as preserved trenches and underground structures. Return to Ypres for some free time, where I would highly recommend exploring the award-winning '**In Flanders Fields Museum**' located in the breathtaking Grand Cloth Hall.

Day 4 Saturday, April 3

Battle of the Somme

Overnight: [Arras Novotel](#) or similar

Meals: BD

This morning begins your tour for a full perspective of the **Somme**. Tour the Somme Battlefield and visit the **Memorial to the Missing at Thiepval**, as well as one of the only surviving intact First World War monuments at **Beaumont Hamel**. The park maintained by Canada remains as it was during the Battle of the Somme, now dedicated to the Newfoundland Regiment, which lost so many men on that first day of battle. On our way to VIMY, continue to view the **Lochnagar Crater**, one of the largest craters on the battlefields of the Western Front.

Day 5 Sunday, April 4

The Battlefields of 1917: Vimy Ridge & Hill 70

Overnight: [Dieppe](#) TBA

Meals: BD

This morning, depart Ypres, with a stop to see the new **Canadian Memorial at Hill 70**, where we will visit the brand new, state-of-the-art museum in Loos-en-Gohelle, which opened in the Summer of 2017 for the 100th Anniversary. Here we will be discussing the *Battle of Hill 70* - sometimes dubbed as "*Canada's Forgotten Battle*".

We end our Battlefield Tour of the First World War with **Vimy Ridge Memorial Park**. It was at Hill 145, in April 1917, that Canada truly became a nation in the eyes of the world. Its troops combined and stormed Vimy Ridge after all other Allied forces had failed to do so. We will tour the tunnels, trenches and memorial, as well as the new interpretation centre, which opened in Spring 2017 for the 100th Anniversary. After lunch, at **Avril Williams in Auchonville**, we shift our focus from the First World War to the Second, heading for the French coast to the seaside resort town of Dieppe.
