

# **ARE Technology & Innovation Forum**

## **Sponsor Pack**

ORGANISED BY

**27-28 Jan 2021**

# About the Forum

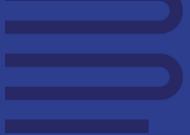

The **ARE Technology & Innovation Forum** (TIF) aims to showcase innovations in the DRE sector.

Innovation is a key driver of economic growth, development, as well as climate mitigation and adaptation. In the DRE sector, innovation boosts efficiency, as well as technical, environmental and financial sustainability of projects.

ORGANISED BY

# About the Forum

The Forum will feature:

- **Innovation Day:** showcasing innovations, their applicability and discussing frameworks for DRE innovations
- **Business Day:** deliberating how innovation can be financed and incubated in the DRE sector
