—Robert Baden-  
Powell**

In 1911, Baden-Powell took his first steps in training Scouting's adult leaders by organizing a series of lectures. The first Wood Badge training session was held in 1919. Since then, Wood Badge has continued to evolve to meet Scouting's needs. Wood Badge focuses on preparing adults to deliver the Mission of Scouting.

COURSE**

## Purpose of Wood Badge

The primary purpose of the Wood Badge experience is simple—to strengthen Scouting in our units, districts, and council. Every scouting youth deserves a well-trained leader. Wood Badge provides dedicated Scouters with the concepts, tools, and methods needed to be effective leaders.

Attending Wood Badge will make your Scouting job easier. Attendees gain an in-depth understanding of the skills of leadership. The skills you learn will help you become a more effective leader in Scouting, your career, your family, and your community life.

As a result of attending Wood Badge you will:

- Become familiar with team leadership concepts
- Experience the stages of team development and practice leadership approaches appropriate for each stage
- Have a great deal of FUN in the company of interesting, like-minded friends
- Develop a renewed commitment to provide Scouting with the best possible leadership
