

PURPOSE

MAS-SSF strives to support the Mental Health of families and individuals who may be struggling to overcome significant mental health challenges.

A path to recovery via:

- Licensed Therapist
- Culturally Competent Practice
- Linguistically Appropriate Services
- Non-biased Nature
- Trauma Informed Care

Clients have sought help for:

- Abuse
- Addiction
- Anger Management
- Family Challenges
- Generational Trauma
- Neglect
- Various Traumas

MAS-SSF is able to provide this service free to those who express interest and a need for greater support on their path to healing.
