

Join the MAS-SSF Youth Advocacy Team to connect with like-minded youth who are passionate about contributing to social justice, welfare and community solutions.

You'll have opportunities to learn from and engage with leaders and change-makers in your community!

In 2024, youth engagement and advocacy contributed to the passing of Senate Bill 108—which will require schools in California to provide Halal and Kosher school lunches starting in 2025!

The team's goal is to relieve negative impacts on Youth Mental Health.

Take a look at our requirements below to see if you're interested!

- Youth aged 14 - 26
- Must be in Sacramento County
- Paid stipends (when available)
- Hybrid: virtual & few in-person events
- Advocacy & Leadership Training
- Bring positive change to Muslim youth in Sacramento
