

A NOTE FROM THE FINANCE DEPARTMENT

As we are getting settled in to the school year, just a few quick reminders to all families. All incidentals that go through FACTS remember that you will get a 2 week notice as to when those incidentals will process through your account. Over the next few weeks please look for information in regards to applying for financial assistance for the 2018-2019 school year (Yes, hard to believe that we are getting things ready for next school year).

You should be seeing some different charges on your account around this time which include book fees, uniform fees, and kitchen help fees. You do have the option of helping in the cafeteria to be reimbursed for the kitchen help fee which is \$30.00. Please contact Kathy Lysaght for information as to open time slots.

As always, please feel free to contact Renee Brock or Jennifer Fabry in the Finance Department at (513) 863-3993 with any questions you may have.
