Contact Kelli for information on...

- Major gifts
- Planned giving
- Scholarships and tuition grants

Every year, we ask parents to support the Annual Fund to help bridge the tuition gap for their student. Even small gifts, when pooled with other contributions, make a tremendous difference in our ability to offer financial assistance to students, and to keep our tuition as affordable as possible.

This **NEW** monthly giving program provides a manageable and meaningful way for you to support the Annual Fund!

- Change of address/contact information
- Memorials/honorariums
- Grandparent's Day

The Bardin Promise Club monthly giving program allows you to give to the Bardin Annual Fund in regular monthly installments from your credit card or checking/savings account. For the price of one latte, or one lunch a month, you can help cover the tuition gap for your student.

Benefits of the Bardin Promise Club include:

- Reduce the number of solicitations you receive from us a year!
- Help us reduce administrative costs so that more of the money raised goes directly to helping students.
- Receive one tax receipt a year with all of your monthly contributions—no more keeping track of multiple tax receipts.
