

BADIN COUNSELING

SENIOR PARENTS

On August, 23rd we met with all of the seniors to review the college application process. We asked all of them to have their resumes, student brag sheets and parent brag sheets completed ASAP. We have now started the process of meeting with each student individually. On Friday, September 8th we will have a Coffee with the Counselors. We will meet at Miami Hamilton Downtown (next to downtown True West). This is an informal meeting for senior parents where we will answer any questions that you have about senior year and the college application process.
