THINK    ACHIEVE    SERVE    LEAD

Attention Parents of Athletes:

Due to issues and complaints with athletic photos, we will be switching our photographer starting with the winter sports this year. We will be going with Casey Shirey of Platnum Photography ([www.platnumphotography.zenfolio.com](http://www.platnumphotography.zenfolio.com)). After meeting with Casey, the Athletic Department feels she is best choice for parents.

With that being said, there will be changes to how you order photos. Parents will be fully responsible for ordering pictures on that day. You will need to fill out an order form and student will need to have payment in hand. She has many different packages that you can order. You can order online but these are subject to a price increase and shipping charges. We would encourage you to order that day to avoid these charges!

**Senior banners will also be ordered directly through her. PAYMENT IS DUE THAT DAY. NO LATE PAYMENTS FOR SENIOR BANNERS WILL BE ACCEPTED.**

The Athletic Department will not be responsible for any part of the photos except to facilitate and help that day. Parents will need to order and have payment on that day. All issues or complaints will go directly to her. We will have a sample of the banner available at the winter sports meeting on Sunday, November 10<sup>th</sup> at 1:00 pm. We encourage all of you to attend that meeting.

Winter Sports Pictures will take place on Monday, November 19<sup>th</sup> right after school. A full schedule will follow. We have attached her order forms for your review.

Thanks and GO RAMS!
