

A letter from our Student Council President:

Hi everyone and Happy August! My name is Laura Lamermayer and I have the pleasure of being the Student Council President for the upcoming 2017-18 school year. Student Council is a group made up of students from each grade who represent the whole student body. With our executive team, as well as the class representatives we will work hard to make it a great, successful year!

Here is brief overview of the Student Council activities to look forward to:

- **The annual Back to School dance is held on the last Sunday before school starts. This year the dance is on August 13, from 8-11pm in the Pfirman Center. The senior theme is USA, but every other class should wear their class color. The Back to School Dance is a great way for freshman to meet new people and to celebrate the start of a new year.**
- **Homecoming weekend this year starts Friday, September 29th with the parade through Hamilton followed by the boys football team taking on Fenwick. The Homecoming dance for sophomores, juniors, and seniors is Saturday the 30th. We are looking forward to an awesome weekend and encourage everyone to come out and support the Badin Rams!**
- **Later in the year, Student Council puts on many activities in school including canned food drive in November and Adopt-a-Family in December. Also in the new year, Spirit Week occurs in February where each grade competes by decorating hallways, dressing up, and at the end of the week partaking in Spirit Olympics. These are great opportunities to show Badin spirit and help out in the community.**

If you ever have any questions relating to Student Council, feel free to email myself (18lamermayerl@badinhs.org) or our Moderator Mrs. Erin Keating (ekeating@badinhs.org). I look forward to an awesome year and can't wait to see all of you in a few short weeks!

Thanks,

Laura Lamermayer '18

Student Council President
