

Dear Parents &Guardians:

Badin High School has begun using a computerized POS (point of sale) system in the school cafeteria.

Student PIN numbers for the new system will be distributed at schedule pickup in August. If a Student forgets their ID card, they can type in their PIN number at the cash register PIN pad. This system reduces time- consuming cash transactions, and makes our lunch lines move much faster. As a parent or guardian, for your additional convenience, you can use the internet-based payment system, which allows you to pay for your child's luncheon-line, via credit card or ACH (electronic check). This service also allows you to receive automated emails detailing your Student's account balance and the items they purchased for lunch, as well as a notification if their balance is low. Additionally, there is an "auto-replenishment" option which allows you to set up a low- balance threshold and automatic debit amount to replenish your child's account. Please be aware that the vendor charges an internet convenience fee for payment by credit card or ACH.

Internet payments will be accepted in as large or small an amount as you feel is convenient for you. Please keep in mind that the larger amount you send in, the fewer payments you will have to make during the course of the school year. Students may also put money on their lunch accounts from 7:00-7:30 a.m. Monday through Friday. There is no fee for this service.

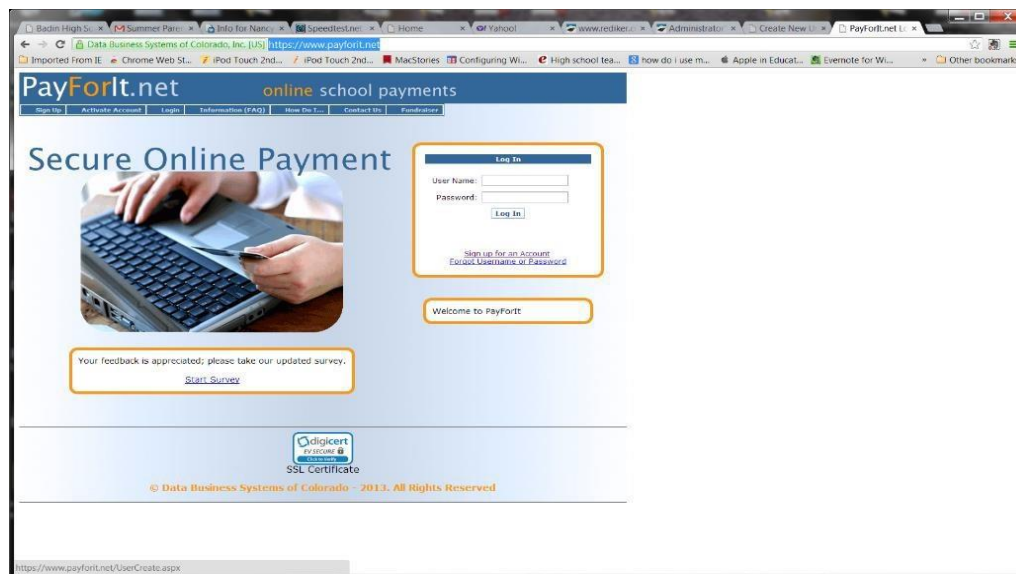

Student PIN numbers will be given out with schedule pick up

Setup an account at: <https://www.payforit.net/>

PayForIt - Activate Account

You will receive an email from PayForIt to activate your account. It looks like this. Please follow the steps in the email.

Thank you for signing up with
PayForIt

Before you can access the site, you must first Activate your account. Please visit the following link

[Activate Account](https://www.payforit.net/UserActivate.aspx) - (<https://www.payforit.net/UserActivate.aspx>) to activate your account.

Your Confirmation Code is:
ABCDEFGG

User Name:
MakeaWish

Email Address:
mainuser@myemailaddress.com

NOTE - The best way to enter your confirmation code is to Cut & Paste it into the Confirm Code field.
NOTE - The Confirmation code is only used to activate your account, it is not your password.

After you have activated your account, please follow these steps to register your students and process your first payment

1. Login to the site using your username and the password you created during the sign up process
2. Select Add Student from the Add/View Student Menu
3. Enter each student's **School, Student ID, First Name, Last Name and Grade**, then click the Register Student button
4. After you have added all of your students, you can then go to the Payments screen to process a payment

*** If you are missing any of the student information listed in #3, please contact your school ***
