SELFIE

One City One Book is a Hamilton-wide program that promotes the powerful shared experience of reading the same book. Copies of this year's selection, *Hidden Figures*, have been distributed to various sites throughout the city. If you find one, we invite you to take a selfie with the book and post it to Facebook with the hashtag #OneCityOneBookHamilton. When you're done reading, pass the book along to a friend or leave it at a local gathering place so we can see how it travels throughout the community.
