

# Bar Mitzvah Project

## Pop-A-Sport

Children need sports equipment to help them play sports, and have fun!

## April 4th - May 30th

For my Bar Mitzvah project, I have decided to help underprivileged children get more in the game by donating new or used sport equipment. There will be a sports bin in the Temple lobby April 4th-May 30th. The donated sports equipment will be donated to the Wyandanch Children Summer Camp. Please help me share my love of sports with children who are less fortunate than you and me. Thank you for your support, and act of Tzedukah! All the best,

Jake Swersky
