This Week

Watoto Children's Choir from Uganda Performing at Memorial Saturday! You won't want to miss this special concert, January 19th at 5:00PM in Maxwell Hall! The Watoto Children's Choir travels the world, sharing a message of hope for Africa's orphans and widows. Each child in the Choir has suffered the loss of one or both parents and now lives in a Watoto village. The experience of travelling helps the children develop confidence and broaden their worldview. Other than going to Africa, what better way to learn about all the good work God is doing through Watoto than by meeting the children and hearing their stories?

Another Offering of the POV Experience at Memorial We've had many requests for another offering of the special workshop "POV: Point of View". Memorial is offering another opportunity for you to experience this workshop, this January 20th from 9:30AM- 3:30PM in the Multipurpose Room. This one-day workshop makes space for engaging difficult conversations through the lens of empathy, context, and mission. POV is a space where you can bring your thoughts, questions, and emotions without the fear of being judged or coerced. RSVP is required, please contact the church office.

Living Our Calling

Advent at Memorial was full of opportunities for worshipping together and welcoming newcomers. Each of our Sunday services, special services, and Christmas Eve Worship services saw a record rise in attendance. Over 1090 people worshiped at Memorial on Christmas Eve, including 132 first-time visitors! We premiered a new style of unplugged worship at 9:00PM on Christmas Eve and 171 people attended! Our overflow worship in the Multipurpose Room during the 7:30PM service was very well-received! The room was beautifully decorated, and the youth supplied welcome and refreshments. We received many compliments on our live-feed worship in the overflow room! The high attendance continued into the New Year! Even during a time when people were still on holiday, the attendance rise continued. Memorial saw 564 at worship on the first Sunday of the year, January 6th! Our congregation opened our spaces in new ways, offered hospitality to new people, and changed our own Christmas Eve traditions to invite new friends with us to worship! ***Thank you, Memorial! There is so much to celebrate and to be thankful for!***
