Prayers from our church family:

Roger and Deb Bell ask for prayers for Roger's sister, **Marian Lippert**, scheduled for open heart surgery on Wednesday, 2/8

Mary Alice Johnson lifts up her friend, **Pam Parks**, who had a severe stroke.

Jill and Duane Johnson ask for prayers for **elder health and well being**

Ron Pfeffer asks for prayers that his MRI on 2/7 will show the brain tumor has shrunk due to initial treatment, for him to tolerate the next 6 months of chemotherapy, and for a positive outcome from the next 6 months of treatment.

Linda Lay request prayers for **George Koutras and family**. He passed away Feb. 3. He is the father-in-law of her son.

Tammy Thibault: Lifts **praise to God** for always providing what she need when she needs it. Especially for 4 wonderful women who were strangers and are now counted as friends including Cindy Barlow & Lori Norwood. These women are examples of the Pastor's sermon for Sunday. They served God by serving me and I praise GOD for the disciple James who influenced John Wesley and his writings as well as his works. May the Lord use me to teach others once I'm resettled in Mississippi. Thank you for your sermon, Pastor Charlie!
